

## GAC B 20 KA Brazing AC Generator

### DESCRIPTION :

- Generator for brazing and spot welding.
- For brazing, this generator allows a quick heating of the parts without heat loss (helps to reduce heat transmission in parts, such as turbines, engines, generators...)

GAC B 20 KA

Power supply for GAC B 20KA : 400V - 50 HZ

GACB 20 KA		
SETTINGS	Output voltage	Intensity *
Low Position	6V	20KA
Medium Position		
High Position		

DIMENSIONS	GACB 20KA
Height	336 mm
Width	210 mm
Depth	430 mm
Weight	96 kg

### ACCESSORIES :

- Mechanical, linear or pneumatic brazing tweezers, welding pens.
- Electrical footswitch.

#### Linked products

**PIAB 55**  
Pneumatic Brazing Tweezers  
model 55

**PIMB 30 - PIMB 30R**  
Brazing Mechanical Tweezers  
model 30 or 30R

**PIM B 30 LIGHT**  
Brazing Mechanical Tweezers  
model 30 Light

#### Dedicated applications

- soudure connecteur de masse
- Brasage de cuivre
