

**Exhaust systems applications**

Example 1

EQUIPMENT FOR THIS APPLICATION:

GAC 20kA CC GAC (A/C 20kA generator) with a mechanical welding clamps PIM 15.

Example 2

EQUIPMENT FOR THIS APPLICATION:

GAC 20 kA CC GAC (A/C 20kA generator) with a pneumatic welding clamps (PIA 30) and kit EV with manometer, CS 10 welding pen

A seam weld head with an A/C generator can also be used for exhaust system application.
